ASSOCS.

1999, HOYNE TO DAMEN AVES.,
JOHNSON & LEE, MASTER ARCH.;
BROOK ARCHITECTURE AND
HAMMOND BEEBY RUPERT AINGE,
ASSOC. ARCHS.

Horner was one of the first Chicago Housing Authority properties to have its high rises replaced by town houses. It is also an early example of the CHA encouraging a variety of architectural signatures rather than a single look. The development's least successful elements are the cul-de-sacs that isolate it from the surrounding community.
